the first time offered for sale to the public Dr. J. Bo. vee Dods' Imperial Wine Bitters, and in this short period they have given such universal satisfaction to the many thousands of persons who have tried them that it is now an established article. The amount of bodily and mental misery arising simply from a neglect of small complaints is surprising, and it is therefor of the utmost importance that a strict attention to th least and most triffing bodily ailment should be had for diseases of the body must invariably affect the mind. The subscribers now only ask a trial of

from all who have not used them. We challenge the world to produce their equal. These Bitters for the cure of WEAK STOMACHS, GENERAL DESILITY, and for PURIFYING and ENRICHING the BLOOD, are absolutely unsurpassed by any other remedy on earth. To be assured of this, it is only necessary to make the trial. The Wine itself is of a very superior quality, being about one-third stronger than other wines; warming and invigorating the whole system from the head to the feet. As these Bitters are topic and alterative in their character, so they strengthen and invigorate the whole system and give a fine tone and healthy action to all its parts, by equalizing the circulation, removing obstructions, and producing a general warmth. They are also excellent for Diseases and Weakness peculiar to Females, where a Tonic is required to strengthen and brace the system. No lady who is subject to lassitude and faintness, should be without them, as they are revivifying in their action.

and in this respect are doubly valuable to the person who may use them. For

Are prepared by an eminent and skillful physician, who has used them successfully in his practice for the last twenty-five years. The proprietor, before purchasing the exclusive right to manufacture and sell Dr. J. Bovee Dods' Celebrated Imperial Wine Bitters, had them tested by two distinguished medical practitioners, who pronounced them a valuable remedy for disease. Although the medical men of the country, as a general
